

## Course: DP Refresher and Competency Assessment

### Course aim

The DP Refresher and Competency Assessment / Refresher Course is intended for those who have already been issued a DPO Certificate from The NI and required to refresh their knowledge about DP or need to completed high DP simulator because they are on DP 24/7.

### Course objectives

On completion of the DP Refresher Course, the trainees are expected to be able to:

- Have acquired knowledge of the latest rules and regulations.
- Have acquired knowledge of the latest developments within sensors and PRS.
- Have acquired knowledge of the latest relevant DP incidents and why they occurred.
- Be able to recognise the various alarm, warning and information messages.
- Be able to carry out operational planning, risk assessment and hazard identification tasks.
- Be able to set up the DP system for a particular task/operation.
- Be able to decide on courses of action because of systems failure;
- Apply the lessons learned to date.

### Target group

Certified DPOs.

### Entry requirements

- It is compulsory for DP Candidates to present the original DPO Certificate issued by The NI.
- If the DPO has 30 days or more DP sea time, then the DP Refresher and Competency Assessment Course may be completed up to six months before the revalidation date set by The NI. The course will be valid for a period of 12 months only, in which the DPO must send an application to The NI.

### Booking

Application process starts with e-mail sent to: [dp.registration@cmu-edu.eu](mailto:dp.registration@cmu-edu.eu). Applicants would be confirmed and coordinated by the Course Coordinator.

### Payments

DP Refresher Course fee – 1550 Euro. Payment cash or bank transfer in Euro or Romanian currency (LEI).

### Course duration

Five days, 34 hours

### Course location

Constanta Maritime University, 104, Mircea cel Bătrân St, Constanța, 900663, Room 106.

### Number of participants

Minimum 2 - Maximum 4

### Learning Process

The training sessions are intended to build on experience, and to provide realistic DP-based scenario work, with the market leading DP Kongsberg Simulator. The course didactic materials are written in English and the course will be held in English unless otherwise agreed.

### Assessment

The trainees' knowledges are continuously assessed during practical exercises and by written examination at the end of the course. On successful completion of DP Refresher course, the DP trainees will receive the Certificate of DP Refresher Course completion.

### Information

Constanta Maritime University Training Centre is FULLY ACCREDITED by The Nautical Institute to run DP Refresher/ Revalidation Course.
