

## ACCOMMODATION FEE – ACADEMIC YEAR 20252026

On 01.10.2025, the accommodation fee/place/month, for the academic year 2025/2026, owed by the student tenant is:

No.	Categories of students	Price in lei per month/student SLM Dormitory	Price in lei per month/student A2 Dormitory	Price in lei per month/student Far3 Dormitory

The amount of the accommodation fee was established based on consumption from October 2024 to July 2025. From 01.08.2025, the VAT increased from 19% to 21%, which is directly reflected in the costs of operating the dormitories. At the same time, the liberalization of the electricity market is expected. Therefore, according to the REGULATION ON THE ORGANIZATION AND OPERATION OF THE STUDENT ACCOMMODATION COMPLEX, an update of the accommodation fees will be carried out if fluctuations in prices and consumption affect the balance of income and expenses.

Payment of the accommodation fee is made monthly, in advance, for the following month, between the 10th and 25th of the current month, online - on the university platform, by bank to the account RO 98 TREZ 231 20F 33 14 00 XXXX.

**In exceptional and well-founded cases, students may pay the dormitory fee in cash - at the administrator's office, until the legal forms that allow online payments are completed (bank card, electronic wallet, bank transfer, etc.).**

If the student tenant does not pay by the 25th of the current month, for the following month, the contract will terminate by law on the last day of the month paid. In this case, the student tenant is obliged to leave the dormitory on the first day of the following month, by 11 am, after completing the "Request to remove from the dormitory records" form and submitting it to the administration.
