## Education and training

Dates	April 2025
Title of qualification awarded	Practical Strategies for Mitigating AI-Driven Cyber Attacks
Principal subjects/occupational skills covered	Analysis of AI-driven attacks – deepfakes, automated spear-phishing, data manipulation, and automated vulnerability exploitation; Detection, monitoring, and incident response methods for AI-generated or AI-enhanced threats; Practical strategies, procedures, proactive measures, and technical solutions to reduce the impact of AI-based attacks.
Name and type of organisation providing education and training	European Security and Defence College
Dates	February 2025
Title of qualification awarded	EFQM Certified Model Foundation
Principal subjects/occupational skills covered	The EFQM Model: Direction, Execution, and Results, and understanding key criteria and their application within organisations; RADAR logic – the fundamental tool for assessment, improvement, and decision-making; Fundamentals of the assessment process, including key elements of organisational evaluation and self-assessment; Data & Insights – using data for analysis, decision-making, and performance improvement.
Name and type of organisation providing education and training	European Foundation for Quality Management
Dates	October 2024
Title of qualification awarded	AI in Business
Principal subjects/occupational skills covered	AI tools for entrepreneurship, Prompt, video, logo generators, Chart generation with Chat GPT, AI integration in Xls files.
Name and type of organisation providing education and training	Mădălina Cocea, PFA course coordinator
Dates	June 2024
Title of qualification awarded	Introduction to AI for Academics
Principal subjects/occupational skills covered	What is ethical and what is not ethical in using AI How is the use of AI detected What rules do universities and scientific journals have regarding the use of artificial intelligence tools What are the risks and how to avoid them What are the most performing tools of the moment.
Name and type of organisation providing education and training	Mădălina Cocea, PFA course coordinator
Dates	7 March -15 April 2023
Title of qualification awarded	Personal Development For Inclusive Education at the Level of Academic Communities
Principal subjects/occupational skills covered	Cultural, Social and Individual Diversity in the Academic Environment The Importance of Inclusion and Equity in Education Approaches and Practices to Create an Inclusive Learning Environment Management Strategies in the Context of Inclusive Education.
Name and type of organisation providing education and training	Romanian Academy
Dates	18-22 July 2022
Title of qualification awarded	Co-design Lab for game Based Learning

Principal subjects/occupational skills covered	Salmon's Five-Stage Model for Online Interaction Actions to motivate learners at the beginning of the e-learning experience and the gamification elements used for this purpose. Actions to allow learners to relate to others in the common space and the gamification elements used for online interactions. Information Sharing - develop a collaborative mindset and actions that show participants how to make sense of what they are learning. Knowledge Construction - strategies and activities to deliver the learning content. Development - learners demonstrate their ability to work with content, apply the knowledge acquired to reflect on their learning progress and demonstrate their achievements.
Name and type of organisation providing education and training	Associazione Akira, Caserta, Italia
Dates	9-11 March 2022
Title of qualification awarded	Erasmus+ course Using Artificial Intelligence in teaching
Principal subjects/occupational skills covered	Tools and best practices for using Artificial Intelligence to support online teaching & learning Systematic design process to integrate Artificial Intelligence in teaching module How to be a digital trainer.
Name and type of organisation providing education and training	Digifact Erasmus+ Consortium
Dates	25-31 October 2021
Title of qualification awarded	Peer Coaching as a Sustainable Source of Professional Development
Principal subjects/occupational skills covered	Understanding coaching as a sustainable source of professional development Core coaching skills including active listening, rapport, trust building, empathy, summarizing, paraphrasing, reflection and awareness Best practices for the GROW coaching model and key questioning skills Supported career guidance skills and the ability to apply personal guidance and counselling skills.
Name and type of organisation providing education and training	Association PRIMERA Courses, Ljubljana, Slovenia
Dates	9-11 October 2021
Title of qualification awarded	CESIM Business simulation practitioner
Principal subjects/occupational skills covered	Non-formal business education through games and simulations Analysis of economic and industrial trends for the composition of a company's strategy Price decisions and sales promotion Virtual investments in the fields of production
Name and type of organisation providing education and training	Apollo EDTECH, Cuj-Napoca, Romania
Dates	18 – 24 August 2021
Title of qualification awarded	Using ICT for Inclusion
Principal subjects/occupational skills covered	Exchange of good practices on how to use online tools in education. Activities to integrate these approaches into teaching and develop digital skills of adult learners from disadvantaged groups. Exercises in delivering ICT-based programmes (website development, 3D modelling). Group activities involving teachers, learners and course designers to create attractive and inclusive learning environments. Reflection: How can I apply ICT tools in adult education? How can I make the learning atmosphere more inclusive?
Name and type of organisation providing education and training	Fundacja Instytut Badan linnowacjijw Edukacji, Poland

Dates	26 July – 1 August 2021
Title of qualification awarded	Working with learners from disadvantaged backgrounds
Principal subjects/occupational skills covered	Understanding the realities of different types of disadvantaged learners Awareness of different situations that lead to marginalization, social exclusion and poverty Improving empathy, trust and active listening skills Overcoming barriers and stereotypes regarding learners from disadvantaged backgrounds Identifying and reflecting on the needs of vulnerable learners Creating a humanistic, anti-discriminatory and stimulating learning atmosphere
Name and type of organisation providing education and training	Asociacion Socio Educativa EDUPLUS, Spania
Dates	28 October – 2 November 2019
Title of qualification awarded	YouthPass – Youth Exchange
Principal subjects/occupational skills covered	Media4You – digital competencies, Competencies in leadership, learning process, cultural awareness
Name and type of organisation providing education and training	Asociatia TEAM 4 Excellence, Constanta, Romania
Dates	19 – 27 October 2019
Title of qualification awarded	Youthpass – Mobility of Youth Workers
Principal subjects/occupational skills covered	Adopting Digital Media in Youth Work
Name and type of organisation providing education and training	Sustainable Education Active Learning - Seal, Cyprus
Dates	5 – 6 September 2019
Title of qualification awarded	Certificate of Participation
Principal subjects/occupational skills covered	SUCCES (SUport for contracting European Solidarity Corps projects) National Agency for Community Programmes in the Field of Education and Vocational Training
Name and type of organisation providing education and training	(ANPCDEFP), Romania
Dates	13 – 14 April 2019
Title of qualification awarded	Certificate of Participation
Principal subjects/occupational skills covered	ACCESS - volunteering and professional experience projects, development and implementation of project proposals for the European Solidarity Corps National Agency for Community Programmes in the Field of Education and Vocational Training
Name and type of organisation providing education and training	(ANPCDEFP), Romania
Dates	5 – 8 March 2019
Title of qualification awarded	Certificate for professionalism in academic management
Principal subjects/occupational skills covered	Alternative financing sources for higher education, Monitoring of the public funds, Strategic Management for universities
Name and type of organisation providing education and training	Centre for Professionals in Universities Management and Romanian Academy, Bucuresti
Dates	3 – 7 December 2018
Title of qualification awarded	Certificate of Trainer
Principal subjects/occupational skills covered	Navigation, Create scenarios, Evaluation
Name and type of organisation providing education and training	Kongsberg Digital, Norway

Dates	August 2016 - June 2017
Title of qualification awarded	Project Management Professional Certificate
Principal subjects/occupational skills covered	Project Initiation, Planning, Execution, Monitoring and Control, Closing
Name and type of organisation providing education and training	Project Management Institute, USA
Dates	29 - 31 March 2017
Title of qualification awarded	Certificate of attendance to Workshop RezultatE+
Principal subjects/occupational skills covered	Training for dissemination and exploitation of results from ERASMUS+ projects, Strategic Partnership and Structured Dialogue
Name and type of organisation providing education and training	ANPCDEFP, București
Dates	22 – 23 November 2016
Title of qualification awarded	Certificate of attendance DP Software upgrade
Principal subjects/occupational skills covered	Dynamic Positioning and POLARIS Software upgrade
Name and type of organisation providing education and training	Constanta Maritime University – DP Training Centre
Dates	18 - 19 November 2015
Title of qualification awarded	ECDIS TRANSAS Type Specific Certificate
Principal subjects/occupational skills covered	Ensure navigation safety using ECDIS - Electronic Chart Display and Information System
Name and type of organisation providing education and training	CERONAV, Constanta
Dates	2 – 6 November 2015
Title of qualification awarded	Certificate of attendance DP Software upgrade
Principal subjects/occupational skills covered	Dynamic Positioning and POLARIS Software upgrade
Name and type of organisation providing education and training	Constanta Maritime University – DP Training Centre
Dates	23 – 26 February 2015
Title of qualification awarded	Certificate: DP Certificate of the course completion
Principal subjects/occupational skills covered	Dynamic Positioning Induction Course
Name and type of organisation providing education and training	Constanta Maritime University – DP Training Centre
Dates	16 – 20 February 2015
Title of qualification awarded	Certificate: Instructor IMO, Training Course for instructors, IMO Model Course 6.10
Principal subjects/occupational skills covered	Course development to be in line with the international format specified into IMO Model Course 6.10
Name and type of organisation providing education and training	CERONAV, Constanța
Dates	9 – 13 February 2015
Title of qualification awarded	Instructor Certificate NTPORO 5000
Principal subjects/occupational skills covered	Bridge Operation and ECDIS
Name and type of organisation providing education and training	TRANSAS Marine International

Dates	9 – 10 October 2014
Title of qualification awarded	Certificate of attendance Operational Training Course for using Navi-Trainer Professional Simulator NTPRO 5000 for navigation, version 5.30
Principal subjects/occupational skills covered	Bridge Operation and ECDIS
Name and type of organisation providing education and training	TRANSAS Marine International
Dates	24 - 28 February 2014
Title of qualification awarded	Certificate of Participation, European training Course
Principal subjects/occupational skills covered	Developing an European Digital Portfolio for the Evaluation of Educators
Name and type of organisation providing education and training	European Office of Cyprus
Dates	November 2004 – June 2011
Title of qualification awarded	Doctoral Degree in Mechanical Engineering field
Principal subjects/occupational skills covered	Naval Equipment, Ships' Emission assessment, Analyse methods for marine environment pollution – ships' ballast water
Name and type of organisation providing education and training	Lower Danube University, Galati, Romania
Dates	29 October – 2 November 2007
Title of qualification awarded	Certificate of course attendance: Examination and Evaluation of professional Competencies in Shipping and Related Activities
Principal subjects/occupational skills covered	Pedagogy and Didactical skills, Competence assessment skills
Name and type of organisation providing education and training	CERONAV, Romanian Maritime Training Centre
Dates	20-28 November 2006
Title of qualification awarded	Project manager
Principal subjects/occupational skills covered	Project management, Elaboration programs for projects, Supervise process of improvement project
Name and type of organisation providing education and training	Foundation CIMP, Centre for the improvement of the management performance, Bucharest
Dates	19 June – 7 July 2005
Title of qualification awarded	Certificate for graduate Psycho-pedagogical Courses
Principal subjects/occupational skills covered	Pedagogy, Psychology of education, Sociology, Didactical and pedagogical skills
Name and type of organisation providing education and training	Ovidius University of Constanta, Department for didactical staff training
Dates	3 – 6 December 2003
Title of qualification awarded	Certificate of graduate Internal auditor courses on quality management system
Principal subjects/occupational skills covered	Quality Management Systems, ISO 9001/2000
Name and type of organisation providing education and training	Constanta Maritime University, Continuous Training and Total Quality Management Centre
Dates	October 2002 – March 2004
Title of qualification awarded	Master Degree on Maritime Law
Principal subjects/occupational skills covered	Maritime International Conventions, Maritime Insurance, Charter Party Study and analyse of maritime litigations, How to fulfil the Charter Party

Name and type of organisation providing education and training  
Constanta Maritime University

Dates  
October 1997 – June 2002

Title of qualification awarded  
Diplomat Engineer, Navigation and Maritime Transport

Principal subjects/occupational skills covered  
Estimated and Coastal Navigation, Radar Navigation, Naval management and marketing, Maritime meteorology, Maritime Law

Name and type of organisation providing education and training  
Constanta Maritime University

Member of the Conference Organizing Committee

- Organizer and speaker of the International Scientific Conference Innovative Education For Emerging Maritime Issues organized within the MINE-EMI project (Maritime innovative network of education for emerging maritime issues) by Nikola Vaptsarov Naval Academy (NVNA), Varna. As a researcher I delivered the presentation: Development of effective online courses using instructional design models, and as an organizer I facilitated the participation of 7 colleagues from UMC, thus increasing the visibility of the university
- Member of the Organizing Committee and the Scientific Committee of the International Maritime Science Conference. In this capacity I involved four colleagues from UMC in providing support to the Nikola Vaptsarov Naval Academy (NVNA), for the review of scientific articles in the fields of: Marine Environment Protection, ECDIS, Safety of Navigation, Ships Energy Efficiency, Maritime Transport, Ship Stability, Cargo Survey, Marine Meteorology, Oceanography.
- Member of the Organizing Committee and the Scientific Committee of the TRANSSAV conference, organized by the Faculty of Navigation in Gdynia and The Nautical Institute
- Member of the Organizing Committee of the Scientific Communication Sessions of Students

Evaluator

- Project evaluator selected by IAMU, 2020, for the evaluation and awarding of scientific research projects <https://iamu-edu.org/projects/research-projects/> research proposals for all academic staff
- Educational program evaluator in Marine Navigation, 2020, Evaluation of the curriculum content of the Marine Navigation Program of the Technical University of Navigation, Batumi

Evaluator of scientific articles

- Reviewing over 15 papers for MDPI journals with international visibility: Applied Sciences, Processes, ISPRS International Journal of Geo-Information, Sustainability, Energy Reports, Journal of Marine Science and Engineering
- Reviewing articles for the university journals, for the Navigation section of the Annals of the Maritime University of Constanța and for the Journal of Marine Technology and Environment

Coordination of students and master's students and guidance for the valorization of research results through the publication of academic articles and presentation at scientific communication sessions.

- Sectorul maritim azi, 2015, Journal of scientific papers presented at the Student Scientific Communication Session, Nautica Publishing House, ISSN 2457-7464, ISSN-L 2457-7464
- Why do I need engineering syllabus onboard, 2020, Session of online presentations of scientific communications of students developed under the coordination and co-supervision of teaching staff from different teaching departments.

## Professional experience

1. 2024– **Project manager** “GREENPORT”, cod proiect 101139879, [ERASMUS=EDU-2023-PI-ALL-INNO-EDU-ENTERP] — [Alliances for Education and Enterprises] <https://cmu-edu.eu/greenport/>
2. 2024– **Project manager** “ Utilizarea inteligenței artificiale în domeniul antreprenoriatului: SAS-AI”, <https://cmu-edu.eu/sas-umc/> Project ID CNFIS-FDI-2024-F-0669
3. 2023 **Expert** “Project Romanian National Quantum Communication Infrastructure (RoNaQCI)”, parte din Digital Europe Programme (DIGITAL), <https://ronaqci.onest.ro/>
4. 2023– **Project manager** “ Manager de social media pentru generația viitoare de antreprenori”, <https://cmu-edu.eu/sas-umc/> Project ID CNFIS-FDI-2023-F-0385
5. 2023 – **Project manager** Erasmus, Mobility in higher education, 2022-1-RO01-KA171-HED-000080019
6. 2022– **Project manager** “Studentii de azi, antreprenorii de maine, SAS SAAM”, <https://cmu-edu.eu/sas-umc/> Project ID CNFIS-FDI-2022-0529
